Dancers Give Back Charity Show & Workshop

We are excited to once again be partaking in this amazing event this year! Dancers Give Back is a charity event run by studio owners and teachers in the Ottawa area. Multiple dance studios team together to raise money for the Youth Service Bureau by selling merchandise, holding a convention, having a silent auction and hosting the main event: the DGB show! Each studio performs one of their competitive routines in both a matinee and evening show. Multiple alumni that have grown up dancing in the Ottawa area, but have moved to professional careers in other cities, will be returning to perform in the show as well. The best part of this event is that ALL proceeds are being donated to the Youth Services Bureau! Tickets for both the morning and evening show are now on sale and are selling out quickly!
