Congratulations to our November Student of the Month…Julia Rossignol!

Julia is a member of our Pre-Intermediate competitive team and has been chosen as the November student of the month for her incredible work ethic and positive energy! Julia joined our team this summer and since that time, all of her teachers have observed a massive improvement in her dancing. Julia picks up new steps very quickly and is always eager and excited to tackle new challenges. She is very attentive in all of her classes and is always using constructive criticism to better her dancing. Further, Julia brings a smile to every class and a positive energy that we absolutely love to see. Congratulations Julia!!!

This past Saturday some of our competitive students travelled to Kington to participate in the Shine Dance 'Werkshop'! Our dancers learnt so much from the incredible faculty and had an amazing weekend!

Special congratulations to Portia Ferguson & Brianna More who were selected to be assistants at the event, as well as Ashley More for winning a full scholarship with IDR to Florence Italy!

An all around amazing day of dancing! Thank you Shine staff!
